

ARMY PERSONNEL & LEAVE MANAGEMENT SYSTEM

Official End-User Operation & Workflow Manual

Live Portal: <https://lmtopu.rahimbadsa.me>

Document Version: 1.0.0 | Security Classification: Restricted Internal Use

1. SYSTEM ROLES & ACCESS OVERVIEW

Role / Authority	Designation / Context	Primary Scope & Capabilities
ADMIN	System Administrator	Full control: User & personnel management, units, leave policies, audit logs, system configuration.
MODERATOR	Unit / Section In-charge	Reviews leave applications of assigned personnel, adds remarks, recommends or returns for correction.
USER	Army Personnel / Soldier	Self-service portal: Applies for leave, uploads documents, tracks application status, views balance & calendar.
COMMANDER / QM	Designated Approval Authority	Gives final statutory approval or rejection for recommended leave applications.

2. SYSTEM ACCESS & LOGIN PROCEDURE

- Access the web application via browser: <https://lmtopu.rahimbadsa.me/login>
- Enter your registered institutional email address (e.g., Sowmentopu@gmail.com).
- Enter your confidential account password.
- Click 'Sign In' to enter the main operations dashboard.
- Note: User accounts are created and authorized strictly by administrators; public self-registration is restricted.

3. LEAVE APPLICATION PROCEDURE (USER GUIDE)

- Step 1 - Navigation:** Click 'Leave' -> 'Apply Leave' on the sidebar navigation menu.
- Step 2 - Category Selection:** Select appropriate leave type (Annual, Casual, Medical, Earned, Special, Emergency).
- Step 3 - Date Selection:** Choose 'Start Date' and 'End Date'. Total duration calculates automatically.
- Step 4 - Statement of Reason:** Enter clear, concise justification for absence.
- Step 5 - Emergency Details:** Provide active contact telephone and whereabouts during the leave period.
- Step 6 - Supporting Documents:** Attach medical certificates or relevant official documentation (PDF / JPG).
- Step 7 - Submission:** Click 'Submit Leave Request'. The status immediately transitions to 'Pending Review'.

4. COMPLETE LEAVE APPROVAL LIFECYCLE

Stage	Action Required	Responsible Party	Status Indicator
1. Application	Personnel submits leave request with dates & documents	Applicant	Pending Review
2. Review	Review details, check duty conflicts, submit recommendation	Moderator / In-charge	Recommended / Returned
3. Final Approval	Statutory review & sign-off	Commander / Quarter Master	Approved / Rejected
4. Duty Execution	Member proceeds on leave upon formal approval	Personnel	On Leave
5. Return Tracking	Mark physical return to duty on resumption date	Admin / In-charge	Returned / Overdue

5. MONITORING BALANCES, CALENDAR & REPORTS

- Leave Balances: Access 'Leave' -> 'Balances' to view yearly entitlement, utilized days, and remaining balance.
- Operational Calendar: Access 'Calendar' to inspect scheduled absences across units to prevent duty overlap.
- Individual Statements: Generate and export formal PDF leave statements under 'Reports' -> 'Individual Statements'.
- Overdue Tracking: Automated flags appear under 'Reports' -> 'Overdue' if an individual fails to return on schedule.

6. PROFILE & CREDENTIAL MANAGEMENT

- Profile Overview: Access 'My Profile' from the top-right account menu to view official service records.
- Updating Details: Click 'Edit Profile' to modify full name, contact number, blood group, or profile photograph.
- Profile Photograph: Click the camera icon over your avatar to upload a professional service photo.
- Password Security: Maintain credential confidentiality; notify system administrators immediately if compromised.

Official Notice:

All leave applications, recommendations, approvals, and audit trails recorded in this system are legally binding and permanent records under institutional regulations.
